

Anna's Song

Album: *Extravagant Love*

Written by: Brayden Waller

Key: D

D **Bm**
Why are you always praying? Why are you
always fasting?

D **G** **A** **Bm** **A**
Seems that you're pre-occupied with
something everlasting

G **A** **F#m** **Bm**
After all that you've been through how are you
still holding on

G **D** **A**
un-offended by your broken dreams

Em **A** **G** **A** **D**
Eighty four years strong and you're still
serving your King

D **G** **D** **A**
These eighty four years have come and gone
just like the wind

Bm **G** **D** **A**
and with every passing storm God has drawn
me closer in

G **D**
to His chambers of light

G **D**
where the joy I've felt has been my help

Bm **G** **A** **D**
and carried my soul through many lonesome
nights

D **Bm**
I heard you saw a couple coming to the
temple

D **G** **A**
with a child that's been prophesied,

G **Bm** **A**
the glory of your people

G **A** **F#m** **Bm**
They say that He's the answer to the prayers
of generations past

G **D** **A**
You really think that He will usher in

Em **A** **G** **A** **D**
the glory of redemption in Jerusalem?

D **G** **D** **A**
Yes I believe it's true and though I've waited
for so long

Bm **G** **D** **A**
my hope has been renewed and I can see the
light of dawn

G **D**
rising again,

G **D**
for the righteous One has finally come

Bm **G** **A** **D**
to bear the weight of all of our sin

D **Bm**
You have seen the rise and fall of leaders and
their kingdoms

D **G** **A** **Bm** **A**
The corruption of ungodly men, yet you walk
in freedom

G **A**
If you could share your secret I

F#m **Bm**
would listen with attentive ears

G **D** **A**
What captivates your heart to bring

Em **A** **G** **A** **D**
the offering of your life focused on one thing?

D **G** **D** **A**
The secret of my life is that in good times and
in bad

Bm **G** **D** **A**
I'm thankful for His presence, there's no
greater gift to have

G **D**
And His promise to me

G **D**
through Ashers line, this truth divine

Bm **G** **A** **D**
As your length of days so your strength shall
be
