## Verse 1

**G C D**  
I searched in the night time to find the purest  
of loves

**G C D**  
And it brought me to Zion's hill To a pair of  
pure doves

**Em C D**  
Whose lifelong affection revealed what it  
means to see

**G C D4 D**  
With dove eyed devotion this longing is  
leading me

## Chorus

**G D G/B C**  
Love in Your eyes there's love in Your eyes I  
see

**Am G/B D G**  
There is love in Your eyes

**G D G C**  
In the morning I rise Yeshua You shine on me

**Am G/B D G**  
Shine the love that's in Your eyes.

## Verse 2

**G C D**  
I was a vessel unclean and covered with mud

**G C D**  
until the Nazarene washed me in His blood

**G C D**  
My vessel was broken Yeshua made me  
whole

**G C D**  
The word He has spoken spoke redemption  
to my soul

## Verse 3

**G C D**  
If eyes are a window into the depths of the  
soul

**Em C**  
Then Your eyes have captured mine with the  
passion they

**D**  
hold

**G C D**  
As a fire that's born from a heart that burns  
with zeal

**Em C D**  
Is the love that I see in Your eyes when You  
pull back the veil
