Album: *Extravagant Love*

Written by: Brayden Waller

Key: E

Verse 1

E **A** **E**
Nothing's gonna stop you from seeing victory

E **A** **B**
When you choose to make your shelter the
shadow of His wings

A **E**
And though there's mighty giants taunting
you

B **C#m**
that you're too young to fight

A **E** **A** **B**
You know that there's One mightier and He is
on your side

Chorus

A **E** **B** **E**
It is good for a man to bear the yoke of his
youth

A **E** **A** **B**
To take upon himself the mantle of the truth

A **E** **B** **C#m**
As you put away what's childish and learn to
be a man

A **B** **A** **C#m**
May you never lose the simple trusting faith
where you began

A **B** **A** **B** **E**
holding tightly as a warrior to the grace by
which you stand

Verse 2

E **A** **E**
Every season has its challenges to face

E **A** **B**
So set your heart to follow empowered by
God's grace

A **E**
And when you're struggling through
temptation

B **C#m**
like every man has done.

A **E**
May you find the place of purity

A **B**
in the Savior's cleansing blood
